

# Seeing with the Heart: *an Apprenticeship in Core Shamanism*

## Application

### **Tuition and Commitment:**

A non-refundable deposit of \$50 is required with your registration, as is a completed application. The sliding scale for the whole year is \$640-1000; that breaks down into a per-session fee of \$80-125. Think about what value you place on spiritual training in your life; take a moment to consider both what you have the ability to pay and what are willing to pay. While you can pay anywhere on that scale, you must commit to the fee you agree on. You can pay the whole fee up front or pay per class; if paying monthly, you are required to pay whether you attend that session or not. You will be asked to sign a tuition contract on the first day of class.

If you are unable to pay the minimum, but still feel strongly drawn to the program, send Tracey an email in which you outline in detail your financial situation, what you are able to pay and what work you can exchange to supplement your payment. We will try to work with you.

This is not a drop-in class; as an apprentice, you are making a commitment to your circle, to your teachers and, most importantly, to yourself. We ask that you do miss no more than one session (unless there are extreme circumstances).

Class starts and ends 9:00 AM-5:00PM for most sessions, with two 1:00PM-9:00PM night sessions during the year. Please arrive early so everyone can get settled and the class can start on time.
